## Seido lighting

### ARDORE suspension

#### DESCRIZIONE TECNICA / TECHNICAL DESCRIPTION

**STRUTTURA** Composta da 7 linee di diffusori in vetro extrachiaro, sabbati esternamente con effetto a righe degradè, fissati su un elemento meccanico snodabile in alluminio con finitura Night Sun, che permette diverse configurazioni: rettilinee o a ventaglio

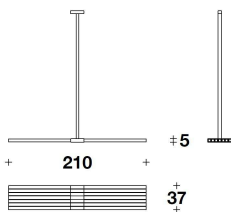

Stelo e calotta a soffitto in alluminio finitura coordinata Night Sun

**LUCI** Sorgente luminosa composta di 14 spot LED inseriti nel corpo centrale, orientabili reclinando i tubolari in vetro e 2 spot LED diretti verso il basso

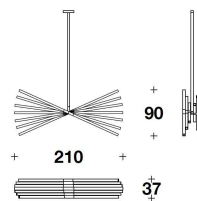

**FRAME** Composed by 7 lines of extra clear glass diffusors, sandblasted with stripes degradè effect, fixed on aluminium jointed mechanical element with Night Sun finishing. The element allows different configurations: straight or fan-shaped

Stem and cap in aluminium with coordinated Night Sun finishing

**LIGHTING** Lighting composed by 14 spot LED in the central unit, with adjustable glass tubulars and 2 spot LED downwards oriented
